

GENERAL INFORMATION

What should I wear?

Please dress comfortable for meditation and reiki. If you are doing the ion foot detox, you will want to wear pants that roll up to the knee. For the perinium steams, wear separates. You will be provided a garment to wear on the lower half of your body so it is a good idea to wear pants and a shirt.

What if I have physical or mental health issues?

Please notify me if you have diabetes or a pacemaker. I will ask you about your health issues during your consultation. Reiki can open up to higher levels of consciousness so if you are not properly grounded, it can trigger mental health issues after your session. If you are feeling unsure after your session, contact me immediately with any after affect concerns so that we may address them right away. If you are feeling suicidal or distressed and need to talk to a counselor, please call 1-800-273-TALK (8255) The National Suicide Prevention Lifeline Immediately

What if I need to cancel my appointment?

Please notify by text as soon as possible if you know you cannot make your scheduled appointment time. Everything happens for a reason and it is important for you to be present in the body, mind, and soul to get the most out of your healing session.

What forms of payment do you accept?

The forms available are Venmo, Zelle, CashApp, Applepay, Mastercard, Visa, Discover or American Express, however, cash is preferred.

What changes should I expect after my session?

Reiki allows for a quantum leap in your spiritual body ascension. All services offered ignite detoxification of some sort. You may start seeking personal change and developing a new way of operating your life in which you do not build up toxin overload. You will feel relaxed, lighter, and leave with a sense of joy. Please drink plenty of water after your session to minimize any detoxification reactions.

If you experience any after affect, please contact me as soon as you can so we can figure out what might be happening.

TACHYON PARTICLES AND THE TACHYON CHAMBER

What are Tachyon Particles?

Tachyon is the scientific word for divine light sub-atomic particles. This excerpt is from Advanced Tachyon Technologies Website: 'Tachyons are particles that exist at the interface between the world of frequency and Zero-Point Energy. Zero-Point Energy exists in infinite quantity, is formless, and yet contains everything needed to create perfect form. Zero-Point Energy condenses down through Tachyons; Tachyons then step the Zero-Point Energy down into all frequencies which are then taken up as needed by the Subtle Organizing Energy Fields, which order our existence. SOEFs both create and energize the template form of all living systems. One could say that our physical forms are a precipitation of Zero-Point Energy that is fed to our subtle fields through Tachyons. The theory is that tachyons are the source of all frequencies.'

The energy of Tachyon has 4 Primary uses:

1. Repairs and rejuvenates aura
2. Reorganizes and harmonizes cells
3. Uplifts and enlightens your spiritual body
4. Powerfully increases fields of manifestation

What makes up the Tachyon Chamber?

A Tachyonized PEMF Far Infrared Crystal Heated Med Bed with Amethyst, Jade and Black Tourmaline, tachyon painted walls, tachyonized massage table with tachyon flow discs creating a river of life force, a tachyonized weighted blanket creating a tachyon cocoon, six crystal quartz tachyonized balls set up in a sacred geometry formation, as well as, tachyonized crystals all around you.
